

# ROAST BEEF TENDERLOIN

**1 whole beef tenderloin roast**

**salt**

**pepper**

**any other favorite seasoning**

Remove roast from refrigerator 1 to 2 hours before cooking and rub in your seasonings.

Preheat oven to 500.

Place roast in a shallow open pan.

Bake at 500 for 10 minutes, then lower oven temperature to 350 and leave in for 30 additional minutes.

It is very important not to open the oven door during whole cooking time.

Your roast will be done to perfection. Slice and serve.
